## **Call for entries National Water Week Photo Competition**

**19 August 2011**

**All media enquiries: Jenny Hammett 5177 4793 or 0448 905 833**

Gippsland Water is providing a showcase for photographers to display their creative talent and be in the running for some great prizes. Entries are invited from Gippsland secondary students and adults for this year's National Water Week Photo Competition, with winners to be announced during National Water Week, 16<sup>th</sup> to 22<sup>nd</sup> October 2011. Winners in each category will receive \$300, second place \$200 and third place winners will receive \$100.

National Water Week is an annual event which aims to encourage the community to protect and conserve water as our most precious resource. Each year has a distinct theme to focus attention on a particular aspect of water resource management. This year's theme is "healthy catchments, healthy communities," to encourage people to think about how their actions affect our environment.

The themes for this year's photo competition are water conservation for the student category and for adults the theme is "Water in Gippsland." Each entrant can submit up to three photographs. Details on how to enter and full terms and conditions of the competition are available on our website [www.gippswater.com.au](http://www.gippswater.com.au). Entries close Friday 30<sup>th</sup> September, 2011.
