The Water Princess - Venn diagram

This worksheet is designed to accompany a reading of the book *The Water Princess* by Susan Verde.

After listening to the story, ask your students to complete the Venn diagram to compare and contrast their experiences with water to that of Gie Gie's.

Questions that will be helpful for students to consider:

1. Where do you get water from? Where does Gie Gie get water from?
2. Is your water clean or dirty? Is Gie Gie's water clean or dirty?
3. What do you use water for? What does Gie Gie use water for?
4. What do you do during the day? What does Gie Gie do during the day?
5. Where do you live? Where does Gie Gie live?
