

## Sewer Smart - Where should it go?

Lots of things that shouldn't be flushed down the toilet or washed down the sink end up in our sewerage system. These things can cause problems like blocked pipes and a smelly mess!

Can you help us put these items in their correct place?

### Instructions:

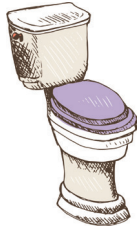

1. Cut along the dotted lines.
2. Paste each item where you think it should go (bin, toilet, sink or toy box).

 <p>toilet paper</p>	 <p>wipes</p>	 <p>cotton buds</p>	 <p>toothpaste</p>
 <p>poo</p>	 <p>blocks</p>	 <p>soap</p>	 <p>nappy</p>
 <p>cooking oil</p>	 <p>wee</p>	 <p>soft toys</p>
