Consultant's Certification

As the Consultant's nominated representative responsible for the construction of the Works detailed in Gippsland Water Agreement No: _____

I certify that:

- 1 The project has been completed in accordance with the Deed,
- 2 The project has been completed in accordance with our Company's quality system,
- 3 The Works still comply with the *As Constructed Certification Form*,
- 4 The construction is in accordance with the Standard Drawings in the relevant MRWA version of the WSAA Codes and the Gippsland Water Supplement to the MRWA version of the WSAA Codes,
- 5 The construction is in accordance with all relevant Gippsland Water Specifications and relevant Australian Standards
- 6 The source documents have been filed in a manner that can be readily accessed for audit purpose
- 7 Each activity listed on the certification list has been either initialled or marked "NA" or "AT" by the Responsible Construction Representative, where:
 - Initialling certifies that the activity is completed and that it satisfies the requirements of Gippsland Water.
 - Activities marked as NA are not applicable to this design.
 - Activities marked as AT have an authorised attachment included.

8 I agree to notify Gippsland Water within 24 hours of any changes to the information certified above.
