

**CENTRAL GIPPSLAND REGION WATER CORPORATION**  
**ANNUAL PROCUREMENT PLAN AND FORWARD NOTICE**

Gippsland Water is a regional water corporation in Victoria established under the Water Act 1989 and constituted on 21 December 1994. We deliver water to 70,906 customers and wastewater services to 63,600 customers in 43 towns. Our service area spans from Drouin in the west to Loch Sport in the east, from Briagolong in the north to Mirboo North in the south. This covers approximately 5,000 square kilometres in the municipalities of the Baw Baw Shire, Latrobe City, South Gippsland Shire and Wellington Shire.

To effectively and efficiently procure goods and services across the organisation and achieve the best value for money, Gippsland Water's procurement activity is aligned to the annual budget allocations, the Corporate Plan and the Essential Services Pricing Submission. The Annual Procurement Plan provides a summary of planned procurement activities.

The Annual Procurement Plan provides potential suppliers with an indication of likely procurements for Gippsland Water in the 2022-23 year. Gippsland Water will continue to look for marketplace solutions that are innovative, effective and deliver value for money.

Based on information at the time of publication, Gippsland Water expects to be engaging with the market in various ways, for the procurements listed below. Please note that all Gippsland Water planned procurements are subject to revision or cancellation. The information in the Annual Procurement Plan is provided for planning purposes only.
